

# CWA/NETT Training Scholarships for CWA Members

May 21, 2020

In response to the COVID-19 pandemic, CWA/NETT Academy is funding more than \$50,000 in training scholarships for CWA members. CWA recognizes the need to assist members in a variety of ways, including in their personal and professional development. Each award will permit the member to participate in an online course from **our catalog of courses**.

To qualify, you must be a CWA member in good standing or currently furloughed. You must enroll in a class within one month of receiving notification of your scholarship award and complete the course. Each course is 6 weeks in length.

Apply online anytime between now and July 31, 2020, at **[cwa.org/cwanett-scholarships](https://cwa.org/cwanett-scholarships)**.
